

□ Yasuo SENGOKU, PhD

➤ Academic Career

- MA in Health and Sport Science of University of Tsukuba in 2001
- PhD in Physical Education, Health and Sport Sciences of University of Tsukuba in 2007
- Assistant Professor at Heisei International University from 2007 to 2010
- Assistant Professor at University of Tsukuba from 2010

➤ Research Theme

My research theme is Coaching Science in Swimming.

- As being the Head Coach of our University Swimming Team, my primary interest is obtaining scientific findings that will lead to “Olympic and Paralympic GOLD Medal”.
- Evaluating physiological training effect, movement analysis is the specific theme.
- Secondly, developing multimedia learning device for educational scene, which can be used for novices is also my concern.
