

Profile of Professors

□ Hirokazu MATSUO, PhD

➤ Academic Career

- MA in Health and Sport Science of University of Tsukuba in 2014
- PhD in Coaching Sciences of University of Tsukuba in 2019
- Assistant Professor at University of Tsukuba from 2019

➤ Research Theme

My research theme is Coaching Science in Ball-Games and University Sports Administration.

- Application of Coaching Theory such as TGfU to actual coaching of ball-games and evaluating the effect on Physical Literacy and Tactical Skills.
- As being a coach of the American Football team, obtaining scientific findings that will lead player safety during practice and a game.
- Evaluating Social Impact of University Sports, and Well-Being of student-athletes.
