TIAS post-2020 Legacy International Forum

Post-SFT :

“Sustainable Development and Peace through Sports”

SPORT FOR TOMORROW (SFT), an international contribution through sport initiative developed through Tokyo 2020 Olympic and Paralympic Games, promoted international exchange and cooperation through sports under a consortium of public-private partnerships for eight years (2014 to 2021). This forum, as the Tokyo 2020 legacy invites graduates of the Tsukuba International Academy for Sport Studies (TIAS > TIAS2.0) from University of Tsukuba, other stakeholders to discuss future of SFT development and growth through exchange of ideas & collaboration.
